

# FEBRUARY MEANS HEART DISEASE AWARENESS!

Heart disease is the leading cause of death in the United States<sup>1</sup>. The month of February is dedicated to raising awareness about heart disease and increasing knowledge about prevention. Educate yourself on the dangers of heart disease and get on track to better heart health today!

## **Omega-3 + CoQ<sub>10</sub> with Turmeric:**

To help maintain healthy brain and heart function, with the added benefit of a powerful antioxidant.

Despite the fact that heart attack and stroke are the leading killers worldwide<sup>2</sup>, you can help yourself by maintaining a healthy lifestyle that includes making sure that you get the beneficial omega-3 nutrients that your body needs every day.

### **TRIPLE PROTECTION**

The innovative formulation ensures the maintenance of healthy heart and brain function and contains potent antioxidant properties.

### **A SYNERGISTIC FORMULA**

With the formulation's addition of Piperine, which is the active compound found in pepper, the antioxidant benefits of CoQ<sub>10</sub> are increased by 30%. Piperine also has an amazing effect on Turmeric and increases its antioxidant assimilation for even greater health supporting benefits!

### **CONTROLLED RELEASE CAPSULE**

The small-sized capsule is easy to swallow and uses the most recent discoveries in intestinal dissolution technology to eliminate any unpleasant reflux – No fish odour!
