

Omega-3 with Turmeric

Protect your heart and your brain

Double your protection. Immunotec's Omega-3 with Turmeric supplement contains a superior quality source of Omega-3 fatty acids. The medicinal ingredients of cold-water fish oil and Turmeric are combined for the maintenance of healthy heart and brain functions.

FEATURES

Omega-3 oils are vital to human health as they are the building blocks of all cell membranes. The historical source is directly from fish, but they often contain mercury toxicity, so get all the goodness from Omega-3, which are free of heavy metals. Turmeric is an exceptional complement, and has potent antioxidant properties.

 **HIGH QUALITY SOURCE OF OMEGA-3 FATTY ACIDS:**

Omega-3 oils per 2 soft gel caps of Omega-3 is about the same amount found in a 3-4 ounce serving of fresh wild salmon.

 **CERTIFIED FREE OF CONTAMINANTS:**

The manner of processing the oils guarantees that no heavy metal contaminants are present in Immunotec's high quality Omega-3 supplement.

 **TURMERIC – A POWERFUL HERB:**

Turmeric is a powerful plant based phytonutrient that has strong anti-inflammatory and antioxidant actions, the latter which also helps preserve the integrity of the Omega-3 over time, hence its effectiveness.

BENEFITS

Plays a key role with the heart, brain, and immune system functions, as well as with the structure of cell membranes.

 **HELPS PROTECT AGAINST THREATS TO OUR HEART:**

Helps the cardiovascular system, and maintains great circulation by slowing down the process of artery-clogging fat accumulation.

 **HELPS PROTECT AGAINST THREATS TO OUR BRAIN:**

Helps support the health of the nervous (brain) systems and blood vessels which are so critical in brain functioning.

 **SYNERGISTIC FORMULA:**

The turmeric helps protect the delicate fats like those in fish oil from becoming rancid, making the addition of turmeric to Omega-3 a highly complementary combination.

IMMUNE RELATED BENEFITS

With over 1000 medical / scientific research papers written about the effects of either Omega-3 or turmeric and the immune system, stack the odds in your favor to support good immune health by taking a soft gel capsule daily.
