

Cherry Concentrate

Enjoy the all-natural goodness of cherries all year long

Our Cherry Concentrate is an extract of the Tart Montmorency Cherry, an exclusive product of the Cherry Capital of the World: Traverse City Orchards in the Leelanau Peninsula of Michigan. Tart Montmorency Cherries have very different qualities from grocery store sweet cherries. They are one of the highest sources of natural melatonin and contain a special class of antioxidants called anthocyanins.* Many clinical studies have described their benefits... check it out online!

Scientifically researched

Melatonin: The same substance that our brain produces to help us sleep and regulate day/night wakefulness cycle.*

Anthocyanins: This special class of antioxidants give fruits and vegetables their bright colors and give us the benefits that come from eating them.*

What sets our cherry concentrate apart from the rest?

- 100% pure
- No preservatives
- No sugar added
- Unique container for the ultimate preservation of natural goodness
- Cold-filled and flash-pasteurized to preserve nutrients and flavor
- All natural
- Non-GMO
- Low glycemic index

"Reviewing the published literature regarding Montmorency cherries was a refreshing look at how science is validating the use of natural products."
