NEW & IMPROVED!

Probiotic 3+ with Cranberry

For a healthy digestive system with the added benefit of antioxidants and prebiotics

WHAT'S NEW IN OUR PROBIOTIC?

"We have DOUBLED the amount of available probiotic cultures as well as increased the amount of strains to SEVEN from five! This provides even more coverage."

What you should know about a healthy digestive system! Studies reveal that a high number of people are affected by digestive conditions, which range from subtle discomfort to complex disorders.

Dr. Jimmy Gutman
Senior Medical Advisor

- Between 60 and 70 million people are affected by digestive issues in the U.S. alone.[1]

- Digestive disorders are the cause of more than 37 million visits to the doctor's office.[2]

Digestive disorders can be the source of a variety of undesirable gastrointestinal conditions.

THE GOOD NEWS!

You can help to maintain optimal digestive health by ensuring that your digestive tract has the beneficial bacteria that it needs.

A KEY TO GOOD HEALTH

Immunotec's Probiotic 3+ with Cranberry is an exceptional formula that combines three separate important ingredients: 1) Probiotics ("good bacteria"), 2) Prebiotics (in the form of fiber) that stimulates the growth and activity of the probiotics, and 3) Cranberry extract to help maintain a healthy urinary tract.*

Anyone wanting to ensure a healthy digestive system will benefit from Immunotec's Probiotic 3+ with Cranberry.
