

SEPTEMBER IS BUSINESS OPPORTUNITY MONTH!

Put your business into high gear by holding as many opportunity meetings as you can. Here are four ways we're there to support you.

CSV = BONUS

1

The **new** Customer Bonus rewards you **up to 20%** based on the amount of Customer Sales Volume (CSV) you accumulate.

2

Acquire three or more new customers with a minimum of 180 PV each and earn a **free box of Immunocal**.

3

Sponsor four or more Consultants with a combined minimum of 6,000 PV and **earn \$100**.

4

Sponsor at least one Consultant or customer with 180 PV or more and post a photo of a meeting you're hosting using **#immunotecopp2017** and your name will go into a **draw for one of three iPads**.

The sponsoring Consultant and newly sponsored Consultants/customers must reside in Canada, U.S., Dominican Republic, UK, or Ireland.

The free box of Immunocal does not have a CV or a PV value and will be shipped in October to the qualified Consultant's shipping address.

The \$100 bonus will be included with the September 2017 commission payment paid out in October 2017 in the currency of the Consultant's country of residence.

The iPads do not have a monetary value and cannot be redeemed for cash payment.
